

Paul Dean.

Independent.

Angmering Resident.

My name is Paul Dean I am a local man born in Broadwater, Worthing in 1953. I am married and we have one daughter. My wife and I have lived in Angmering for the last 15 years. My wife and I both have family in Angmering and the surrounding areas. My occupation is a Project Manager in the Construction Industry. My hobbies and interests are fishing, sailing and the countryside. I served on Storrington Parish Council in 1976, so I have a good understanding of the needs and concerns of others that live in a village environment.

Why am I seeking your support to elect me to Angmering Parish Council?

I believe we are all very fortunate to live in our village of Angmering with its beautiful countryside and surrounding areas, also having the advantage of being so close to the Sussex coast line.

Why I am asking for your support me by voting for me?

I care about our village and the community that we live in.

I believe Angmering should remain a village, offering the best possible facilities for both the young and the older person without destroying the surrounding areas of our village.

I believe there is a need for a better traffic control through our village.

If elected to the Parish Council;

If elected I will be your representative at the Parish Council meetings.

Be available to all members of our community to listen to your concerns and suggestions for our village.

I will not make promises that I cannot deliver.

I will do my very best for all of you as your advocate and representative.
