The Occupier

Dear Sir / Madam

New housing, open space, landscaping (including flood alleviation measures), roads and footpaths – Land South of Water Lane, Angmering

Arun DC are currently considering options for meeting local housing needs throughout the District. Angmering has been identified as one of the more sustainable settlements. Proposals for new housing, open space and related works have been prepared for land south of Water Lane, Angmering. The land north and south of Water Lane is in the control of Rydon Homes and Gleeson Strategic Developments.

An exhibition of proposals for the possible development of land south of Water Lane is to take place at Angmering Village Hall in Station Road, Angmering on the 19 April between 2.30pm – 8pm and you are invited to attend. The purpose of the exhibition will be to consult the local community on key issues and to gather the views of local residents and others before any planning application is worked up.

The exhibition will include information on technical matters such as access and drainage, other design constraints (landscape, acoustics, heritage and ecology). Initial design concept proposals will also form part of the exhibition. Specialists acting on behalf of Rydon Homes and Gleeson Strategic Development will be available to try and answer any queries you may have.

We hope you can attend and look forward to seeing you.

Yours faithfully
